Prefinished FiberCement Siding.

## COLOR THAT REALLY PACKS A PUNCH

Want to express your home's **ColorMax™** true personality? Now you can. Introducing ColorMax, a prefinished fiber cement siding that comes in a gorgeous palette of 16 designer colors. *Prefinished* means you can get the siding color you want, factory-applied and delivered to your door. And because it's fiber cement from CertainTeed, you'll enjoy your siding for years to come.

Color shown: Nantucket Gray

### TALK ABOUT CURB APPEAL

- Available in 16 designer colors to suit any taste
- Color is applied to CertainTeed's exacting standards
- Deeper, more genuine wood grain
- A variety of cedar lap siding, decorative shapes and soffit to match virtually any design style
- Beautiful results, pronto — siding is installed faster and more cost effectively because it's prefinished
- Patented protective plastic cover ensures siding remains scratch-free through shipping and installation

### THE BRAVN BEHIND THE BEAUTY

- Fiber cement from CertainTeed means a stronger and more durable siding
- High interlaminar bond strength means excellent freeze/thaw protection
- Color is applied over our proprietary FiberTect® Sealant/Primer, protecting against damaging moisture as much as 85% better than other systems
- Backed by a powerful warranty and 100 years of CertainTeed reputation and reliability

## THE BEAUTY OF COLORMAX™, THE PERFORMANCE OF FIBER CEMENT, THE ASSURANCE OF CERTAINTEED.

CertainTeed FiberCement Siding is the finest you can buy because it's stronger and more durable. It continually earns recognition for the highest appeal and performance, compared to wood and other siding. It's a richer-looking, ultra-low maintenance alternative. And we back it with a powerful warranty — one of the best in the industry.\*
